

The day we meet,  
 In the love of our Lord.  
 Now ! We never apart,  
 We walk shoulder by shoulder,  
 From now till the end.....

I am waiting the day,  
 you come to me,  
 With morning star,  
 birds's song and roses,  
 Then I run into your arms,  
 " Hold me ! Hold me ! please "

*The day we meet*

*I am waiting....*

*Why do you love me ?*

you ask me : " Why do you love me so much ?"  
 I answer : " Love is feeling , but can't  
 tell. Lover ! Love me ! Love me !"
